Come join us to discuss the many benefits that energy efficiency can deliver to households, businesses, and to the energy system. We will discuss several energy and non-energy benefits of energy efficiency, such as:

- Improved air quality
- More affordable access to lighting, cooling and other energy services
- A more reliable and resilient energy system

The webinar is organized by the Brazilian Ministry of Mines and Energy (MME), Energy Research Office (EPE) and the International Energy Agency, and will be presented by **Kathleen Gaffney, Senior Programme Manager, Energy Efficiency Division at the IEA.**
